ACTA BIOLOGICA 22

SZCZECIN 2015

Publishing Board | Rada Wydawnicza

Adam Bechler, Tomasz Bernat, Anna Cedro, Paweł Cięższyk, Piotr Michałowski, Małgorzata Ofiarska, Aleksander Panasiuk, Grzegorz Wejman, Dariusz Wysocki, Renata Ziemińska, Marek Górski – Head
Radosław Gaziński – Executive Editor of Szczecin University Press

Editorial Board | Rada Redakcyjna

Richard A. Baker (University of Leeds), Andreas Martens (Karlsruhe University of Education)
Stojmir Stojanovski (Hydrobiological Institute in Ohrid), Clémentine Fritsch (University of Antwerp)
Leszek Jerzak (University of Zielonagóra), Barbara Plytycz (Jagiellonian University in Krakow)
Maria Zajac (Jagiellonian University in Krakow), Francesco Spada (University of Rome “La Sapienza”)
Józef Kur (Gdańsk University of Technology)

Reviewers | Recenzenci

Jörg Böhner – Freie Universität Berlin (Germany), Brendan Kavanagh – Royal College of Surgeons in Ireland (Ireland), Vladimir Pésić – University of Montenegro (Montenegro), Witold Kowalik – University Maria Curie-Skłodowska (Poland), Anas Cherqui – Maître de Conférences Universitaire (France)
Maurice Hullé – Université Rennes (France), Maciej Skorupski – University of Life Sciences in Poznań (Poland), Grzegorz Gabryś – University of Zielona Góra (Poland), Joanna Śliwowska – University of Life Sciences in Poznań (Poland), Jana Moravcikova – Institute of Plant Genetics and Biotechnology (Slovakia)
André Laroche – Agriculture and Agri-Food Canada (Canada), Krystyna Piotrowska-Weryszko – University of Life Sciences in Lublin (Poland), Piotr Rapiejko – Allergen Research Center (Poland)
Oleg Aleksandrowicz – University in Słupsk (Poland), Andrej Matalin – Moscow State Pedagogical University (Russia), Horst von Bannwarth – Universität zu Köln (Germany), Mirosław Parafiniuk – Pomeranian Medical University in Szczecin (Poland), Danijela Stešević – University of Montenegro (Montenegro), Hiroshi Abé – Nihon University (Japan), Alireza Saboori – University of Tehran (Iran)
Sonia Bouhachem – Entomologiste Laboratoire de Protection des Végétaux INRAT (France)

Editor | Redaktor naukowy

dr hab. Andrzej Zawal prof. US

Statistical Editor | Redaktor statystyczny

dr Przemysław Śmietana

Langague Editor | Redaktor językowy

Warren Whitmore

Technical editorial and text design | Redakcja techniczna i skład

Joanna Dubois-Mosora

Proofreader – Korektor

Joanna Grzybowska

Cover design | Projekt okładka

Bartosz Łukaszewski

Paper version of the journal is an original version | Wersja papierowa jest wersją pierwotną

The Journal is indexed | Czasopismo jest indeksowane

Baza AGRO, Index Copernicus

WYDAWNICTWO NAUKOWE UNIWERSYTETU SZCZECIŃSKIEGO

Edition I. Publishing sheet size 12,5. Printing sheet size 15,2. Format B5

CONTENTS

Maciej Arciszewski – Migration of amphibians and their mortality on the road of Knyszyn Forest Landscape Park	5
Aleksandra Bańkowska, Magdalena Kłosowska, Robert Stryjecki, Andrzej Zawal – New and rare water mite (Hydrachnidia) species in Polish fauna found in the Krąpiel River and valley water bodies in Ińskie Lake District	15
Tran Thi Hong Phuong, Anna Wróblewska-Kurdyk, Katarzyna Dancewicz, Beata Gabryś – Selective acceptance of brassicaceous plants by the peach potato aphid <i>Myzus persicae</i> : a case study of <i>Aurinia saxatilis</i>	39
Anna Wróblewska-Kurdyk, Lidia Nowak, Katarzyna Dancewicz, Antoni Szumny, Beata Gabryś – In search of biopesticides: the effect of caraway <i>Carum carvi</i> essential oil and its major constituents on peach potato aphid <i>Myzus persicae</i> probing behavior	51
Grzegorz Bukowski, Bogusław Chachaj – Soil oribatid mites (Acari, Oribatida) in the plots of grass collection in IHAR Bydgoszcz	63
Grzegorz Bukowski, Bogusław Chachaj – The Effect of Mowing on Moss Mites (Acari, Oribatida) of Xerothermic Reserve Gruczno	71
Natalia Chmielewska, Marta Wańkowska – The impact of the mother on the hypothalamic-pituitary-adrenal, hypothalamic-pituitary-gonadal and somatotrophic axes activity of offspring during postnatal ontogeny..	79
Gabriela Gołębiowska-Pikania, Elżbieta Golemic – Cold-enhanced gene expression of the foliar thiol-specific antioxidant protein in triticale (x <i>Triticosecale</i> Wittmack) seedlings resistant to the pink snow mould resulted from <i>Microdochium nivale</i> (Samuels and Hallett) infection	97

Aleksandra Kruczek, Alina Stacewicz – Botanical origin of west Pomeranian honeys.....	119
Łukasz Baran, Mieczysław Stachowiak – New of <i>Philorhizus melanocephalus</i> (Dejean, 1825) (<i>Coleoptera: carabidae</i>) NW Poland ..	133
Tymoteusz Miller, Gorzysław Poleszczuk, Malgorzata Tokarz – Changes of water quality of the Osówka Stream flowing through ponds Syrenie Stawy in Szczecin (NW-Poland) in selected periods in the years 1994–2014	137
Ewa Rębacz-Maron, Natalia Nitecka – External ear anthroposcopy in female students of the University of Szczecin.....	153
Edyta Stępień, Andrzej Zawal, Paweł Buczyński, Edyta Buczyńska – Changes in the vegetation of a small lowland river valley (Krapeil, NW Poland) after dredging	167
Brygida Radawiec, Łukasz Baran, Andrzej Zawal – Contribution to know the fauna of ground beetles (Insecta, Coleoptera: Carabidae) of Wolin Island.....	197
Tapas Chatterjee – Scanning Electron microscopic observations of <i>Copidognathus balakrishnani</i> Chatterjee (Acari: Halacaridae) with notes on species of the <i>Copidognathus balakrishnani</i> group.....	213
Elżbieta Roland, Adrianna Kościelska, Joanna Massalska, Kinga Koperwas, Grzegorz Gabryś – New data on <i>Trombidia</i> (Acari: Prostigmata: Parasitengona) in protected areas in Lubuskie Province (Western Poland)	223
